### Virtual Tour Guidelines

#### **Special Call: Submit a “Virtual Tour” of your skills lab.**

In 2010 we will have the Virtual Tours available on DVD. UTHSCSA will facilitate duplication of the tours for the participants. Please complete a signed waiver stating that your tour can be duplicated on a DVD for the participants. Please request a Duplication Waiver form from [mcgoon@uthscsa.edu](mailto:mcgoon@uthscsa.edu) (virtual tours cannot be accepted without a signed waiver). Fax waiver to Sherece McGoon at 210-567-5909 no later than May 1, 2010. Questions please email [mcgoon@uthscsa.edu](mailto:mcgoon@uthscsa.edu).

#### **GUIDELINES:**

- Media type requested: DVD-R with a DVD-compliant mpg2 file
- Time limit: 10 minutes in length
- MAIL DVD: UTHSCSA SCHOOL OF NURSING
- 7703 Floyd Curl Drive- MSC 7946
- San Antonio TX 78229-3900
- ATTN: SHERECE MCGOON – to arrive no later than May 1, 2010

When “filming” your tour, participants would be most interested in learning:

- School name, location, and contact information.
- Discuss the demographics of your nursing student body population.
- What is the size of your skills lab and what functions does the space provide? How many staff your lab?
- How long has your lab been in use? Are you planning any future changes or upgrades to your lab and why?
- How is your lab currently being utilized by your school, by your university, and by your community?
- What is your lab schedule?
- What makes your lab unique?

Whether it's high-fidelity simulation, psychomotor skill education, or evaluation of learner performance this conference offers it all. In the face of a major nursing shortage and funding challenges, the nursing simulation/learning resource center plays a critical role in nursing education and practice. Join your nursing colleagues in healthcare education, research, lab management and staff development.

**Take a Chance and Win Big at this** stimulating, exciting conference and participate in the leading forum for disseminating the latest information.

**Conference Objectives-** Participants will have opportunities to:

- Experience the newest innovations in the nursing simulation/learning resource center, and re-visit some tried-and-true methodologies.
- Determine new directions for their learning simulation/resource centers.
- Explore strategies to integrate technology into curriculum and practice.
- Examine the challenges of managing nursing simulation/learning resource centers.
- Network with colleagues.

#### **Submit a “Virtual Tour” of your skills lab.**

Every lab is unique. Why not show us yours?

Limit to 10 minutes in length.

Submission deadline for “Virtual Tour” is May 1, 2010
