INACSL Members Recognized as Outstanding Nursing Educators

Raleigh, N.C. – September 11, 2020 – [The International Nursing Association for Clinical Simulation and Learning](#) extends its warmest congratulations to all nurse educators recognized as Academy of Nursing Education Fellows and Fellows of the American Academy of Nursing this year.

“I am thrilled to see so many nursing simulationists honored by two of our important sister nursing organizations,” said INACSL President, Janet Willhaus, “I offer my congratulations to the newest inductees of the NLN Academy of Nursing Education and the American Academy of Nursing Fellows, especially to the past and current leaders and members of INACSL honored.”

The National League for Nursing’s Academy of Nursing Education is comprised of 317 distinguished nurse educators who teach in a range of programs across the spectrum of higher education and are affiliated with leading teaching hospitals and other organizations committed to advancing the quality of health care in the U.S. and globally.

The following INACSL members, past and current leaders were honored with this distinction:

Sabrina Beroz

Tonya Schneidereith

The American Academy of Nursing Fellows is comprised of more than 2,700 nursing leaders who are experts in policy, research, administration, practice, and academia that champion health and wellness, locally and globally.

The following INACSL members, past and current leaders were honored with this distinction:

Desiree Diaz

Mary Fey

Cynthia Foronda

Laura Gonzalez
Lori Lioce
Bette Mariani
Virginia Muckler
Tonya Schneidereith
Shaomei Shang

About the International Nursing Association for Clinical Simulation & Learning (INACSL)

The International Nursing Association for Clinical Simulation and Learning (INACSL) is committed to being the global leader in the art and science of healthcare simulation through excellence in nursing education, practice, and research. As part of our vision, *Simulation and Innovation Transform Lives*, we equip members with the latest research and educational strategies to further impact learning outcomes and enhance patient health across the continuum of care. We also provide [the INACSL Standards of Best Practice: Simulation[®]](#), an evidence-based framework to guide simulation design, implementation, debriefing, evaluation and research. Our membership includes over 1,900 members from 26 countries. Learn more at www.inacsl.org, and follow us on [LinkedIn](#), [Facebook](#) and [Twitter](#).
